Recorded delivery requires a signature on receipt but carries no insurance value other than post office minimum loss. Special delivery carries insurance value up to £500.00. Compensation parcel carries insurance value up to £250.00. All insurance claims are with the carrier concerned and at no time will we be responsible for any loss of goods in transit either from our premises or in transit to us. This is in relation to the servicing of equipment other terms apply to new goods. See our terms and conditions page. At [www.randmservices.co.uk](http://www.randmservices.co.uk)

If your equipment is in less than perfect condition, IE , worn down , Rusty, Missing teeth, this will have an adverse affect on the finished quality of the sharpening. Once you allow scissors or clipper blades to rust they will never be as good again. We will resharpen most equipment sent to us but if it is in our opinion that the blades/scissors are in an unserviceable condition we will not resharpen them unless specifically requested to do so. We reserve the right to not sharpen or repair any equipment that is beyond reasonable help.
